Strata Manager

Description

Bay Strata Pty Ltd is a well-established and highly regarded Strata Management Company located within the St George area. Our office has been established since 2002 and is constantly growing and evolving.

The successful applicant will enjoy a good salary package in addition to great working conditions and further salary incentives. Additional training is also provided and an ongoing support network is associated with the role.

Our office is situated along Princes Highway Rockdale, being within walking distance to Rockdale Train Station and a short driving distance to the M5.

Qualifications

We are now looking for an experienced Strata Manager / Strata Assistant to join our team in managing a medium sized portfolio of both residential and commercial Strata Plans. Applicants are required to have recent experience working in the industry and a current licence and or Certificate of Registration.
